EXECUTIVE SUMMARY	5	5. VALUATION OF COMPANIES OF THE INDUSTRY..	64
INTRODUCTION	7	5.1 Methodology of valuation	65
1. GENERAL INFORMATION	8	5.2 Valuation of companies of the industry (2015-2018)	66
1.1 Definition of the paints and varnishes industry for construction and furniture.....	9	6. MARKET	67
1.2 Industry general facts and figures.....	12	6.1 Industrial production index.....	68
2. INSTITUTIONAL FRAMEWORK	13	6.2 Total domestic market and production size of paints and varnishes (2014-2019).....	69
3. DEMAND	20	6.3 Domestic market structure of paints and varnishes per category (2019).....	70
3.1 Determinants of demand	21	6.4 External trade of paints and varnishes (2014-2018).....	71
3.2 Analysis of selected determinants of demand	22	6.4.1 External trade of watercolors (2014-2018)...	72
4. SUPPLY	40	6.4.1.1 Watercolor imports, per country of origin(2018).....	74
4.1 Major producing companies of the industry - turnover growth(2014-2018).....	42	6.4.1.2 Watercolor exports, per country of destination(2018).....	75
4.2 Ranking of major producing companies based on turnover 2018.....	44	6.4.2 External trade of varnishes (2014-2018).....	76
4.3 Financial analysis of the industry (2014-2018)...	46	6.4.2.1 Varnishes imports, per country of origin(2018).....	78
4.4 Groups of companies financial indicators comparison (2018).....	53	6.4.2.2 Varnishes exports, per country of destination(2018).....	79
4.5 Consolidated balance sheet Assets-Liabilities structure.....	55	6.4.3 External trade of undercoats-stucco (2014-2018).....	80
4.6 Companies financial results growth.....	56		
4.7 Comparative assessment of major companies’ financial indicators (2018).....	60		

TABLE OF CONTENTS

6.4.3.1 Substrates-stucco imports, per country of origin(2018).....	82	8.2 Main findings – Prospects.....	102
6.4.3.2 Substrates-stucco exports, per country of destination.....	83	ANNEX	
6.5 Porter’s five forces.....	84	Financial indicators of companies of the industry (2014-2018).....	104
7. EU-28.....	91	A. Capital structure and financial leverage indicators.....	105
7.1 Production of structural paints in EU-28.....	92	B. Liquidity indicators.....	117
7.2 Structure of production of structural paints in EU-28 countries (2018).....	93	C. Activity indicators	123
7.3 Evolution of imports of structural paints in the EU-28 (2014-2018).....	94	D. Performance indicators	135
7.4 Evolution of exports of structural paints in the EU-28 (2014-2018).....	95	Financial formulas.....	145
7.5 Structural paints market in the EU-28 (2014-2018).....	96	SOURCES & BIBLIOGRAPHY	146
7.6 Percentage of participation of the construction industry in GDP.....	97		
7.7 Evolution of construction activity sector.....	98		
7.8 Evolution of construction sector production index.....	99		
8. CONCLUSIONS – PROSPECTS	100		
8.1 SWOT Analysis	101
