

## **PRESS RELEASE**

### **STOCHASIS S.A : “SECTOR STUDIES”**

#### **CONFERENCE AND EXHIBITION ORGANIZATION**

A significant decrease was noted in the sector of conference and exhibition organization during the years 2008 to 2010 with an annual rate of change of 19% and 18% respectively. As far as conference organization is concerned, it is estimated that this sector will face decreases at a rate of over 20% during 2011 and stabilize at 10% in 2012. Further decrease is predicted for the exhibition organization sector with an average annual rate of about 15% in 2011 and 2012. This is the main conclusion of the study “Conference and Exhibition Organization” carried out by **Stochasis Management Consultancy S.A.**
